

FIRST DAY OF CLASS ACTIVITY — ASYNCHRONOUS CLASS

Use your syllabus and the Canvas course to fill out this sheet. Then upload it to Gradescope (which you can access from the left-hand side of the Canvas course).

1 About You

1. Where are you physically located this semester?
2. What is your major? If you don't have a major, what are you thinking about?
3. Why are you taking this class?
4. Why are you taking this class online?
5. What other classes are you taking (if any)?
6. Are you working? if so, how many hours per week? (If you're willing to share, what is your job? This is optional, but I'm interested.)
7. When during the week do you plan to schedule working on material for this class? Please list days/hours (e.g., MWF 8 - 10AM).
8. Do you have access to an approved Testing Center? See <https://www.uaf.edu/ssc/testing/> for more information. If not, what access do you have to proctors for your exams (which must be proctored by a human)?

2 About the Class

1. What is my teacher's name, office location, and email address?
2. Where can I get information about this class?
3. Where is my textbook?
4. How is my grade determined in this course?
5. Is there any extra credit or any free points in this class?
6. What, if anything, is due **this** week in this class?
7. What if anything, is due **next** week in this class?

8. How often should I plan to work on this class? How many hours should I spend on this class per week?
9. How will quizzes work in this class?
10. What should I do if I miss an exam?
11. Is the homework completed in an online system or do I write it down? Where do I find the homework problems? How do I turn in the homework?
12. Will I have answers or solutions to the homework? If so, where do I find them?
13. Can I just copy the homework solutions, upload them to Gradescope and get full credit?
14. Can I see my grades?
15. How can I get my questions answered?
16. Where can I get tutoring help?
17. How will my teacher contact me?
18. What are the habits I would like to adopt this semester in this class?
